

## **Instructions**

### **Summary For Hazardous And Available Space Transportation Costs (R-62)**

The County Supervisor will obtain the information for this report from the Application For Hazardous Transportation, R-61.

**School District:** Record the school district where the stops and trips are located.

**School Year:** The present school year

**District Priority Rating On Hazardous Application:** This is the priority rating that the district has assigned to each application.

**Grand Total Annual Maintenance and Mileage Cost:** This is the cost located above the SDE Use Only section on the R-61.

**Grand Total For Driver's Salary:** This is the cost located above the SDE Use Only section on the R-61.

**State Allocation For Maintenance And Mileage:** The amount the Department of Education has allocated to the district for maintenance and mileage

**District's Total Costs For Maintenance and Mileage:** The District Total in the Grand Total Annual Maintenance and Mileage Cost column.

**District Funded Costs For Maintenance And Mileage:** Subtract **District's Total Costs For Maintenance and Mileage** from **State Allocation For Maintenance and Mileage**.

**NOTE:** The school district is to be invoiced for this amount if it exceeds the State Allocated amount for Maintenance and Mileage.

**State Allocation For Driver's Salaries:** The amount the Department of Education has allocated to the district for driver's salaries

**District's Total Costs For Driver's Salaries:** The District Total in the Grand Total Driver's Salary Cost column

**District Funded Costs For Driver's Salaries:** Subtract **District's Total Costs For Driver's Salaries** from **State Allocation For Driver's Salaries**.

**NOTE:** The school district is **NOT** to be invoiced for any Driver's Salary cost.

**Total District Funded Costs:** The total amounts for maintenance and mileage plus driver's salary cost that exceed the amounts allocated by the Department of Education to the school district.
